VELTRIX SYSTEMS
INTERNAL MEMORANDUM

To: All employees, Bengaluru and Austin offices
From: Chief People Officer
Date: 12 June 2026
Subject: Update to hybrid work arrangements

Following the employee survey in April 2026 and a pilot in selected teams, we are changing our hybrid work arrangements for the Bengaluru (India) and Austin (United States) offices.

With effect from 1 July 2026, employees in these two offices may work from home for up to 3 days per week. The remaining working days are spent in the office. This replaces the limit of 2 days per week in the Remote and Hybrid Work Policy for these offices only.

Core hours of 10:00 to 16:00 local time are unchanged. Teams should agree at least one common office day each week.

Arrangements for the Berlin office are not affected by this memo and remain under discussion with the works council.
